We encourage students to contact us as early as possible (incoming freshman and sophomores) for Private College Guidance. The early we get to know the student, the more we will be able to help students get into the college of their choice!

Services that we offer for our Private College Guidance

- Managing the college application process
- Assisting with curriculum and extracurricular decisions
- Assisting with application to prestigious merit scholarships
- Helping students with summer programs that will lift their application profile
- Providing guidance on tests including the SAT, ACT and SAT II
- Exploring your interests, goals and talents
- Reviewing academic and testing records
- Identifying colleges that are best suited to your academic strengths and personal interests
- Preparing you for interviews, campus visits and essay writing
- Reviewing financial aid and scholarship options

Unique aspects of our program
